Project Title: Australian Shepherd Website

I'd like to build this site as multiple pages, rather than a long, single page website. Typical site navigation probably across the top. I think there is plenty of content and photography to build out individual pages.

- **Home Page/History** – Show traits, origin, other background

- **Description: Appearance/Temperament**

- **Health: Mortality, Morbidity, Hip Dysplasia, Double Merle**

- **Activities**

- **Gallery**

- **Sources** – this page will just list sources, including the Wikipedia page, as well as other sources for photography, and any other credits that need to be provided.
